

# LUCKY KHABE

NORTH WEST UNIVERSITY STUDENT

## Profile

I have a very cool and calm persona. I work well under pressure and I often surprise myself with how creative and innovative I can be. I can work hard and smart; I am bit of a perfectionist and that results in being slow sometimes. I love to socialize and network, to stimulate my mind and learn from others.

## Experience

- 2013 - 2014**      **B & E International**  
Student Trainee  
I was maintaining stone crushing machinery. Learning the turner & fitter trade, industry pneumatic, fluid mechanics and boiler-making.
- 2015 - 2016**      **Resolution Circle**  
Student Intern  
Work-Integrated Learning Programme which included the following workshops: Electrical & Automation, Health & Safety, Workplace Readiness, Carpentry, Fitting, Boiler-making, Industry Exposure and Commercial Project Experience.

## Education

- 2010 - 2013**      **N.Dip Mechanical Engineering(Eletro-Mech)**  
Vaal University of Technology, Vanderbijlpark  
Develop the necessary knowledge, understanding and skills required for the student's further learning towards becoming a competent practicing Mechanical Engineering Technician. **(Unfortunately I did not manage to finish my diploma).**
- 2018 - Present**      **BSc Information Technology**  
North West University, Vanderbijlpark  
Design, develop and deliver computerized systems; Contribute to the management of information and information sources; Develop IT-related solutions. Lifelong learning and entrepreneurship.
